Sour House. The Mayor, acting upon the order passed by the Board of Aldermen, and not doubting that the Common Council will concur, has made arrangements with the Superintendent of the Market, Mr. Whittington, for the speedy opening of a Soup House, the building selected for the purpose being the old Hydraulion Engine House, next to the Watch House, on Fairfax street. It is confidently exnected that the arrangements will be completed by Saturday next; but due notice will be given of the exact time of the opening. Our citizens and those of the surrounding country, who are interested in the welfare of the Poor of our community, are requested to send in their contributions of meat, vegetables, wood, &c., all of which will be most thankfully received, and will go far in assisting the Corporation authorities in ministering to to the wants of the des-

METHODIST PROTESTANT SUNDAY SCHOOL EXHIBITION.—The exhibition by the scholars of the Methodist Protestant Sunday School, last night, at Liberty Hall, reflected great credit upon all concerned. The performances consisted of recitations and singing, and evinced an amount of talent rarely witnessed in such vouthful minds. There was a large audience present, who manifested their appreciation by everything passed off most agreeably and satis-

GEORGETOWN. - In a local article on Georgetown, the Washington Union thinks the people of Georgetown, in order to the future prosperity of that city, "must commence by removing the Aqueduct." That done, it says, a bridge will have to be built across the Potomac, at the rocks called the "Three Sisters." We presume, as preliminary to removing the Aqueduct, other people, to whom the Aqueduct belongs, will have to be consulted, and the laws guaranteeing their rights of property respected!

WASHINGTON AND GEORGETOWN R. R.-The report of the Directors of this road shows that the receipts from all sources

during the year were.....\$339,510 36 Expenditures during the same

The receipts of the Company were \$117,217,-09 more in the year 1865, than they were in 1866.

GEORGETOWN AFFAIRS. -The flour inspections during last year amounted to 107,721 bbls. Three fisheries, situated one mile above Georgetown, have been sold at auction for the season, as follows: No. 1, to R. Simmons, for \$600; No. 2, to Wm. Mankin, for \$600, and No. 3 for \$260, to Wm. Simmons. These prices are greatly in advance of those of last

EPISCOPAL HIGH SCHOOL.—The Southern Churchman has an interesting history of this school, situated near the Theological Seminary, a few miles from this place. The school is now under the charge of Rev. William F. Gardner, with able assistants, and promises once more to be a successful and flourishing institution.

THE REPORT that Richards, one of the Lyles' murderers, had been arrested in Philadelphia, turns out to have been unfounded. Captain Walsh and the persons who went on with him to identify the man, have returned without accomplishing their object.

EPISCOPAL PARISH SCHOOLS. -- These schools have been established in Alexandria, Leesburg, Norfolk, Richmond, Petersburg, Lynchburg, and other places in the State-faithfully attended and conducted by the ladies of the con-

THE ICE. - Great caution should be used now in skating on the river and creek. The ice is unsafe in many places. Two little boys broke in, on the river yesterday, and were near being drowned. Let this timely warning be

remembered. FROZEN TO DEATH.—A negro women, living in one of the contraband villages, on the northwestern suburbs of the city, known as Fredericksburg, was, we are informed, frozen to death on Monday night last. She was aged and in-

COUNCIL.—The City Council was called together last night, but no quorum appearing in the Common Council, both Boards adjourned, without transacting any business, until the next

regular meeting. CANDIDATES FOB ORDERS.—The Southern Churchman informs us that there are twentytwo candidates for Orders in the Episcopal

Church, in the Diocese of Virginia. A NEW GOLD MINING COMPANY has been organized and has gone into operation near the

Great Falls of the Potomac, adjoining the lands of the Potomac Falls Company. Mr. Eames has recovered from the sudden indisposition, which we noticed yesterday, as

having occurred whilst delivering an argument in the Supreme Court. Gold.

A MISTAKE .- Mistakes will happen in the best regulated families, and sometimes they are very amusing, as for instance: On the 8th instant, as is usual, the Banks of our city, elect their officers, and sometimes the officers, just to make the election pass off agreeably, furnish a "little entertainment." Now the officers of the Old Dominion, to keep up the "time honored custom," ordered a repast from our relative of the Poet Laureate of England, who prepared one in style, and dispatched it by a trusty servant to the "the Bank." The Banks are across the street from each other, and as one of them is and one is not, the servant went to the First National with all the good things, much to the astonishment, but great joy of the officers and stockholders of that institution, who immediately went to work, and soon made B. S. Lent vs. F. H. Harrison-in debt-it | sad havoe with the fried oysters, chicken sallad, &c.; but all joy is short lived, and soon the caterer, in breathless haste, entered the room, explained the error into which the servant had fallen, and carried off the least-or rather what was left of it-to the place of its proper destination, where it, was none the less enjoyed because of the mistake.

THE DISTRICT IN CONGRESS .-- Mr. Morrill reported from the District Committee, in the Senate yesterday, a bill repealing all laws in force in the District which make any distinction between persons on account of color, and the authorities of the District are prohibited from enacting any ordinance that does not affect persons of whatever color alike. Mr. Wade, from the same committee, reported, with amendments, the bill authorizing the extension of a lateral branch of the Baltimore and Potomac railroad into and within the District of Columbia. The amendments provide that the road shall terminate at such point within the city as may be allowed by Congress upon presenta tion of survey and map of proposed location of said road," and providing "that Congress shall have power to alter, amend, or repeal this act. - Washington Star.

REMISSION OF SENTENCE.-The Governor, on yesterday, gave an order for the remission of the sentence of imprisonment passed upon Mr. John H. Devaughn, of Culpeper, who was recently sentenced to four months' imprisonment in jail and four hundred dollars fine, by the Circuit Court of Culpeper, for whipping a revenue officer. It is stated that the revenue that he got into a fight, the consequence of Quire at No. 130, King st. which was that he got badly used up. The Governor has no right to remit the fine, but Mr. Devaughn will probably be able to settle low by that .-- Richmond Examiner.
